

Springbrook Community Church Plans and Response to Coronavirus COVID-19 - **UPDATE 3/16/2020**

Dear Family,

Based on the latest directive from the White House and the CDC regarding COVID-19, Springbrook has determined that the following steps are in the best interest of those who attend as well as for those in our surrounding communities.

1. We will **NOT** have Worship Services and other programming on Sunday, March 22nd and March 29th. **
 - During this time, we will **Livestream** the message portion of the service at **9:00 am on both Sundays**. To access the Livestream, please click on the “Watch Live” icon on the home page of the Springbrook website or mobile App at that time.
 - The video recording of the message will be available on the Springbrook website or mobile App by clicking on the Media link later that same day.
 - Message notes will be available on the Media page of the Springbrook website or mobile App by clicking on the “message outline” graphic.
2. Other team and ministry meetings that include **more than 10 people** should not meet beginning March 17th through April 1st.
3. Small Groups that have **more than 10 people** should not meet beginning March 17th through April 1st.

These are anxious days for everyone, but we are reminded in Isaiah 26:3 that peace is possible depending on where we put our focus. Isaiah writes, **“You (God) will keep in perfect peace all who trust in you, all whose thoughts are fixed on you.”** Although we may not be able to gather as a church for a period of time, I look forward to hearing from you by phone or email. I would consider it my honor to pray with you. If there is anything you need, please do not hesitate to contact me. Springbrook is more than a building; *we are family!*

I’m praying for you and your opportunity to be Jesus to those around you!

Senior Pastor (matt@springbrookchurch.org)

**Because the recommendations regarding COVID-19 continue to evolve as new information is learned, additional Sunday closures may be required. Please check the Springbrook website often and look for “push” notifications on the Springbrook App.
