

**Springbrook Community Church Plans and Response to  
Coronavirus COVID-19 - UPDATE 3/31/2020**

Dear Springbrook Family,

Based on the latest directive from the State of Illinois regarding COVID-19, Springbrook has determined that the following steps are in the best interest of those who attend as well as for those in our surrounding communities.

1. We will **NOT** have Worship Services and other programming during the entire month of April. We will only resume meeting at our facility when we are permitted to do so. \*\*
  - During this time, we will continue to **Livestream** our Sunday morning service. We will now include both the music and message portion of the service at **9:00 am each Sunday**. To access the Livestream, please click on the “Watch Live” icon on the home page of the Springbrook website or mobile App at that time.
  - The video recording of the message will be available on the Springbrook website or mobile App by clicking on the Media link later that same day.
  - Message notes will be available on the Media page of the Springbrook website or mobile App by clicking on the “message outline” graphic.
2. All team and ministry meetings should meet via Zoom, Google Hangouts, Microsoft Teams, etc. (*Essential teams, of no more than 10 people, should practice all guidelines regarding social distancing and washing of hands.*)
3. All Small Groups should meet regularly via online tools such as Zoom, Google Hangouts, Microsoft Teams, etc.

While we will not be able to gather as a church for a period of time, I look forward to hearing from you by phone or email about the opportunities that God has blessed you with to make an impact in someone’s life. God never wastes a hurt and together we can make a difference. If there is anything you need, please do not hesitate to contact me. Through YOU, Springbrook continues to be “on-mission” in our community!

I’m praying for you!

Senior Pastor (matt@springbrookchurch.org)

\*\*Because the recommendations regarding COVID-19 continue to evolve as new information is learned, additional Sunday closures may be required. Please check the Springbrook website often and look for “push” notifications on the Springbrook App.
